Incident Narratives

Original Narrative

Narrative:

On 03/18/2025 at approximately 12:47pm, I, Officer A. Raiford of the Zionsville Police Department, was called to 10850 Creek Way to assist on a report of auto theft. I arrived on scene and met with Ofc. Shook who stated an individual, later identified as Kolapo Dasilva, called in stated his vehicle, which was stolen, was located at Graham Rahal Performance.

I walked inside and observed a 2002 Green Nissan Skyline on their showroom floor. Kolapo stated the cars chassis number is BNR34-403308. I observed the chassis was stamped with the same numbers. After running both the VIN and chassis number multiple ways through NCIC no stolen vehicle hits were received. I then contacted Kolapo who stated he had filed a police report through Orange Police Department in California. According to the police report obtained from Orange PD Kolapo purchased the vehicle for \$128,000 in April of 2020, where it stayed in storage in Japan. In February of 2022 Kolapo found a company based out of Orange California who would help import the vehicle. Kolapo paid this company \$10,000. The company completed repairs and restorations Kolapo did not consent to. Eventually Kolapo learned the vehicle was transported into the United States to an unknown location. Orange PD did not enter the vehicle as stolen as Kolapo had never been the registered owner.

I called and spoke to Kolapo who stated he currently has an open civil case regarding the vehicle. I explained to Kolapo that due to him not being the registered owner and the vehicle not being entered as stolen there was nothing we would be able to do for him. Kolapo stated he was getting on a plane to come to Zionsville because he wanted to see his car.

I then spoke to Charles Chejfec, the general manager of GRP, and he stated Kolapo had been on Facebook causing problems for GRP and had called into GRP and wished to have Kolapo trespassed from their property. I then contacted Kolapo and explained to him that he is trespassed from the GRP property, and he is not allowed on site. Kolapo stated he understood.

Due to the vehicle not being entered as stolen and all other events taking place in California and Japan Zionsville PD units left the scene.

There is nothing further at this time.
